

MEMBER OF THE INTERNATIONAL FEDERATION OF MODEL AUTO RACERS

Kuwait Science Club 21 April 2010

Subject: Invitation to the 2010 IFMAR World Championship events
From: FEMCA (Far East Model Car Association)

I would like to extend an invitation to members of the Kuwait Science Club to participate in the upcoming IFMAR World Buggy Champs to be held in the FEMCA Bloc at the Pattaya Circuit in Thailand

IFMAR World Championships 1/8 IC Off Road

FEMCA Bloc - Location: Pattaya, Thailand - November

As members of the FEMCA Bloc, the Kuwait radio control community have already shown at recent FEMCA events by their willingness and enthusiasm, their desire to become an integral and supportive member of the FEMCA Bloc is genuine.

At our last major Event in Malaysia the Blue team Representing Kuwait were great ambassadors for the sport as they were also for Kuwait

While at this time we cannot know exactly how many allocations will be available for the Kuwait members to compete in this prestigious event, we look forward to meeting again with our fellow competitors and their support team.

Please do not hesitate to contact us concerning any questions you may have in regard to this matter.

Kind Regards

Kindest Regards
